A world of well-being in which design and comfort combine to form a harmonious whole, where a single touch transforms your shower into your own personal spa. Welcome to the world of GROHE F-digital Deluxe, the unique shower experience for all your senses.

GROHE F-digital Deluxe is a completely new shower concept, which goes beyond the normal requirements of hygiene and cleansing to deliver a unique sensory experience. Atmospheric lighting, gentle steam and relaxing music have a positive effect on your physical, spiritual and emotional well-being and become part of your daily shower experience, thanks to the GROHE F-digital Deluxe light, steam and sound modules. All of the functions can be controlled simply and intuitively using an Apple iPod Touch 4G.

TOUCH

With just one touch of the Apple iPod Touch 4G you can transform your shower into your own personal spa featuring soft lighting, relaxing steam and your favourite music.

LIGHT

With GROHE's light modules, you can change the colours to suit your mood and enjoy a personalised chromatherapy experience while showering.

SOUND

With GROHE's sound modules, you can now enjoy your favourite music while showering.

STEAM

Experience regeneration in its purest form with GROHE's steam modules. Gentle steam not only enhances our sense of emotional well-being, but also has a positive effect on the entire body.

The F-digital Deluxe docking station, the base unit box and the Apple iPod Touch 4G are required for the operation of light, sound, steam and customised options. Apple iPod Touch 4G and the GROHE SPA® F-digital Deluxe app must be purchased separately from an authorised Apple retailer or iTunes.

GROHE GRANDERA™ NEW WELCOME HOME

GROHE
Grandera™
online

Home is less a specific place and more a certain feeling. A feeling of familiarity, comfort and security. Somewhere you can recharge your batteries and just relax. A place of retreat, somewhere everything is exactly as it should be. Every detail just right. From the ceiling lights to the floorboards. Nothing left to chance. Especially not in the bathroom, your own personal spa. Welcome home. To GROHE Grandera™.

THE GROHE SQUIRCLE

Inspired by the squircle, the GROHE Grandera™ collection combines circles and squares in an innovative design that is both elegant and powerful, timeless and modern. The result is unique faucets and showers that seem to defy the laws of geometry. Edges, arcs, lines and squares all flow into each other providing the perfect backdrop to water in all its beauty.

For the team at GROHE, design is much more than an afterthought. Our passion is combining form and function to optimum effect. That's why we keep breaking new ground – as with GROHE Grandera™. Inspired by the squircle, our design team developed a shape that reconciles seeming opposites in a completely new aesthetic.
