# ULTIMATE TECHNOLOGY & PERFORMANCE

## GROHE Rain O<sup>2</sup>

GROHE New Tempesta offers true air innovation throughout the complete line:

Select the GROHE Rain O<sup>2</sup> spray for a smoother, wider, air-enriched spray. Air is drawn into the shower head **A** where it is blended with high-speed streams of water **B**. This powerful infusion results in richer, more voluminous water drops for a wider, full-face Rain spray with air; which is bursting with vitality.
