Specifications

Amplifier

Rated Output Power	2 W RMS
Frequency Response	350 -16000 Hz, ±3 dB
Signal to Noise Ratio	>70 dBA

Speakers

Speaker Impedance	3 ohm
Speaker Driver	4 cm full range
Sensitivity	>81dB/m/W±3dB/m/W

Bluetooth

Bluetooth Version	V4.0
Bluetooth Profile	HFP, HSP, A2DP
Bluetooth Frequency Band	2.4 GHz ~ 2.48 GHz
Bluetooth Range	10 m (Free space)

General information

Power Supply (wireless induction charging base)	AC 220-240V, 50/60 Hz
Built-in Battery	Li-polymer battery (3.7V, 500 mAh)
Dimensions - Main Unit (W x H x D)	111 x 85.6 x 59.5 mm
Weight - Main Unit	0.176 kg
- Charging base	0.252 kg

Important

- Read these instructions.
- Heed all warnings.
- Follow all instructions.
- The product may only be used in bathroom and shower. Do not use it in sauna or hot steam bath environment.
- Do not place the product near any heat sources such as radiators, heat registers, stoves, or other devices (including amplifiers) that produce heat.
- Only use attachments/accessories specified by the manufacturer.
- Do not place any sources of danger on the product, for example, lighted candles.
- Keep the product away from direct sunlight, naked flames or heat.
- During charging the battery, do not expose this product to any liquid.
- Batteries shall not be exposed to excessive heat such as sunshine, fire or the like.
- Where the plug of the charging base is used as the disconnect device, the disconnect device shall remain readily operable.
- Do not use charging base outdoors.
- The AC power plug of the charging base shall not be exposed to dripping or splashing.
- Do not place metallic objects, such as rings, on the top of charging base, as this may affect the charging process and may cause the charging base to overheat.
- Refer all servicing to qualified service personnel. Servicing is required when the product has been damaged in any way.

- Keep the charging base away from water.
- Do not place or store the charging base over or near water contained in a bathtub, washbasin, sink etc.
- Do not immerse the charging base in water or any other liquid.
- After cleaning, make sure the charging base is completely dry before you connect it to the mains.

Note

- The type plate is located on the bottom of the charging base.

Notice

Any changes or modifications made to this device that are not expressly approved by Grohe AG may void the user's authority to operate the equipment.
The speaker is designed to be waterproof in compliance with IEC60529 IPX6. The charging base (excluding AC power plug) complies with IEC60529 IPX7.

CE 0890

This product complies with the radio interference requirements of the European Community.

Declaration of conformity

Hereby, Grohe AG declares that this product is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC. You can find the Declaration of Conformity on www.grohe.com.

Care of the environment

Disposal of your old product and battery
Your product is designed and manufactured with high quality materials and components, which can be recycled and reused.

This symbol on a product means that the product is covered by European Directive 2012/19/EU.

This symbol means that the product contains a built-in rechargeable battery covered by European Directive 2013/56/EU which cannot be disposed of with normal household waste. We strongly advise you to take your product to an official collection point or a Philips service centre to have a professional remove the rechargeable battery. Inform yourself about the local separate collection system for electrical and electronic products and rechargeable batteries. Follow local rules and never dispose of the product and rechargeable batteries with normal household waste. Correct disposal of old products and rechargeable batteries helps prevent negative consequences for the environment and human health.

Caution

- Removal of the built-in battery invalidates the warranty and may destroy the product.

Environmental information

All unnecessary packaging has been omitted. Your system consists of materials which can be recycled and reused if disassembled by a specialized company. Please observe the local regulations regarding the disposal of packaging materials, exhausted batteries and old equipment.

Trademark notice

The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Gibson Innovations Limited and Grohe AG is under license. Other trademarks and trade names are those of their respective owners.

About operating and storage temperatures

- Operate in a place where temperature is always between 0 and 40°C (32 to 104°F)
- Store in a place where temperature is always between -20 and 45°C (-4 to 113°F).
- Battery life may be shortened in low temperature conditions.
