Guidelines on filling out the form:

1. Manufacturer of the product shall accomplish the PID form.
2. The form shall be completely filled out with the required information.
3. Details of differences between certified products and uncertified products shall be mentioned in the PID and shall be supported with photos of the declared differences.
4. The manufacturer shall indicate the type of test report, TR reference number and issuance date.
5. PID shall be signed by an official representative from the manufacturer responsible for product conformity such as Technical Manager, Quality Manager or Certification Manager.
6. For multiple items, use the extra sheet to list additional items specifying the certified products, similar models and corresponding certificate / test report numbers.
