Guidelines on filling out the form:

- Manufacturer of the product shall accomplish the PID form.
- The form shall be completely filled out with the required information.
- Details of differences between certified products and uncertified products shall be mentioned in the PID and shall be supported with photos of the declared differences.
- The manufacturer shall indicate the type of test report, TR reference number and issuance date.
- PID shall be signed by an official representative from the manufacturer responsible for product conformity such as Technical Manager, Quality Manager or Certification Manager.
- For multiple items, use the extra sheet to list additional items specifying the certified products, similar models and corresponding certificate / test report numbers.

PID: Product Identity Declaration
TR: Test Report
