GROHE Blue Pure Filter Taps

THE BENEFITS OF GROHE BLUE PURE FOR YOUR HOME

Add great taste to your kitchen, effortlessly, with a GROHE Blue Pure Filter tap. GROHE Blue filter technology turns tap water into great-tasting filtered drinking water, removing chlorine and other impurities that can impair taste. Separate internal water ways keep filtered and unfiltered water separate at all times. The GROHE filter fits easily under your sink and the tap still offers all the usual functionality of a standard kitchen tap. Put pure, refreshing, filtered water at the heart of your kitchen with a GROHE Blue Pure tap.
