## FLUSH PLATES MAKE YOUR DESIGN MARK

Embrace colour in the bathroom – down to the last detail. GROHE Colours Collection lets you express your own taste and personality, adding colour that sets the tone for a truly distinctive bathroom scheme. Are you looking for a warm, organic feel, or a crisp, masculine look? With the GROHE Colours Collection you can achieve any mood you desire with a range of colour finishes across every touchpoint, right down to the flushplate.

With our sleek, chic flushplates available in every GROHE colour, and with a choice of designs and sizes, you can be sure that your scheme will set just the right tone, reflecting your taste across every aspect of your bathroom.

# ARENA COSMOPOLITAN S

The lozenge shape of the flush button lends the Arena Cosmopolitan flush plate a sporty touch. The characteristic lozenge shape takes the key aspects of GROHE design and interprets them with a 'sensual minimalism'.

# SKATE COSMOPOLITAN S

Minimalist design, simple geometry with an appearance of pureness and clarity. The joint catches the light and encourages the user to interact intuitively. Skate Cosmopolitan flush plates complement our brassware collections and will enhance your next bathroom project. Like all new small flush plates, they can be installed very easy – invisible magnetic fixings complete the design.

# NOVA COSMOPOLITAN S

With its fresh design Nova Cosmopolitan brings an exciting modern element to our comprehensive range of flush plates. Its use of geometric shapes – circular actuation is framed by a rectangular plate – makes it the ideal choice for cutting edge spaces.

A choice of colours ensures the design complements several of our brassware and shower collections.

## CLASSIC DESIGNS FOR EVERY BATHROOM!

At GROHE, we follow through modern bathroom design consistently right down to the WC flush plate. Apart from the purely functional aspect of flushing, this detail also fulfills an important design function.

GROHE has developed a unique and diverse range in which the WC flushing mechanism, available in a number of extremely attractive variants, is a core element of the design concept and can be coordinated perfectly with the tap and other equipment features.
