COMFORTABLE CLEANING WITH PURE WATER

NO ELECTRICITY NEEDED –
THE GROHE MANUAL BIDET SEAT

GENTLE CLEANSING, TAILORED TO YOU

Transform your bathroom experience to one where hygiene, freshness and comfort are the standard with the GROHE Manual Bidet Seat. Cleaning with water rather than paper is more natural, more hygienic and gentler on your skin, leaving you with a confident, fresh feeling.

Designed to fit your existing WC, the GROHE Manual Bidet Seat offers targeted personal cleansing via two separate spray heads. The sophisticated spray leaves the bathroom clean and dry. The spray can be adjusted

for your own comfort, and hygiene is assured thanks to the cleaning function of the spray arms.

The GROHE Manual Bidet Seat transforms your bathroom into a hygienic, convenient personal cleansing zone, where you can be gently cleaned in a relaxing, tailored experience that you control. Just take a seat and let the GROHE Manual Bidet Seat transport you to a cleaner, more comfortable place. It's that simple.

DESIGNED WITH YOUR COMFORT IN MIND

The GROHE Manual Bidet Seat transforms a simple toilet into a comfortable, hygienic place where personal care and cleaning are second nature. Attached to a WC ceramic, the seat doesn't require electricity – instead, the spray is operated by a side lever powered only by water pressure, putting the control at your fingertips for an effective but gentle cleaning experience. No mess, no splashes and no stress. Made from hard-wearing Duroplast, the seat itself creates an elegant visual addition to the bathroom.

PERFECTLY HYGIENIC WITH TWIN SHOWER

SOFT CLOSE SEAT

Both seat and lid have a quiet soft close mechanism meaning no danger of trapped fingers or of damaging the material.

REAR SPRAY

Thorough yet gentle, the targeted rear spray promises precise personal cleaning. You can adjust the strength of the spray for more gentle cleansing.

RETRACTABLE NOZZLES

The two retractable spray arms are protected for extra hygiene.

LADY SHOWER

The refreshing lady shower uses a completely separate spray arm for complete hygiene. The softer, wider spray pattern is more gentle, ideal for intimate feminine areas, and the spray strength can be adjusted for complete comfort.

CLEANING FUNCTION FOR SPRAY ARMS

Have confidence that the two spray arms remain germ-free, thanks to the cleaning function. Made from anti-bacterial material, the spray heads can be rinsed before and after every use controlled by the seat control lever.

INTUITIVE CONTROL

Within easy reach, the control lever can be found on the side of the Bidet Seat. The lever lets you select the spray function and adjust the water pressure to your comfort. Press the lever half down or raise it half up to activate the cleaning function of the spray arms. For the rear spray function press the lever completely down. For the lady shower function raise the lever completely up.

BAU CERAMIC VERSATILITY FOR A MODERN LIFE

Designed to be compatible with a wide range of WCs, the GROHE Manual Bidet Seat is a simple solution. It can be easily installed on your existing WC and you only need to connect it to water. However, for a Perfect Match of form and function, GROHE recommends pairing it with the GROHE Bau Ceramic collection, an attractive, contemporary range with everything you need to create an attractive modern bathroom, including basins and WCs. The range's tactile lines will work in complete aesthetic harmony with the Manual Bidet Seat, ensuring maximum comfort, performance and visual appeal.

PERFECT MATCH

At GROHE we believe that a successful bathroom has harmonious design at its heart. It should be a space where every element works perfectly together, both in function and in form. With GROHE you can be confident that everything is a perfect fit, from ceramics to taps to the smallest accessories. Our perfectly coordinated bathroom solutions ensure a design that is as distinctive as you are.
