GROHE PUREFOAM

A SENSORIAL SHOWERING EXPERIENCE

GROHE Purefoam elevates your daily shower routine with a touch or a button, delivering a gentle cleansing foam as part of your skincare ritual. This innovative system offers either invigorating energy or soothing calm, leaving you refreshed and revitalized throughout the day. Paired with the Kinuami body soap collection, each captivating scent provides an uplifting and delightful experience with every shower.

DIRECT FOAM GENERATION

At the touch of a button, the hand shower instantly switches from shower mode to foam mode, effortlessly generating rich, warm foam for a pleasant and comfortable experience.

DELICATE AND DENSEFOAM

The special foam technology combines hot water and air to create abundant, silky foam, warmly enveloping the body for lasting relaxation while keeping your skin moisturised and clean.

CONFIGURABLE FOAM DURATION

Choose from five predefined foam mode times, ranging from 4 to 15 seconds, to find the one that suits you best. Once the selected duration is reached, the foam mode automatically stops and seamlessly switches back to water mode.

GROHE PUREFOAM

GROHE PUREFOAM 2 DIFFERENT SPRAY TYPES

EFFORTLESS WELLNESS
For a tailored experience, the GROHE Purefoam hand shower offers two spray types: Rain, as soothing as a soft summer shower, and Jet, delivering a powerful massage for ultimate cleansing. Switching sprays is effortless thanks to SmartSwitch – an intuitive control at the back of the hand shower, easily activated with a fingertip. Designed for lasting performance, the hand shower also features ShockProof: a protective silicone ring that guards against damage if dropped

KINUAMI
