INSPIRATION FOR MORE **INDIVIDUAL** **ENJOYMENT**

We think your shower should look and feel as if it were designed for you alone. Concealed showers from GROHE offer you more room for your imagination to get to work and more control over your shower experience.

RAINSHOWER 360

OUR HEADS ARE FULL OF IDEAS – FOR MORE SHOWER ENJOYMENT

When you step into your shower we want you to enjoy all the variety that water has to offer. That's why our Rainshower 360 head showers give you the choice of different spray types: from the wonderfully refreshing GROHE PureRain spray to the revitalising Bokoma spray and the Massage sprays.

When you choose GROHE SmartControl Duo, you can enjoy more than one spray jet at once. Try combining the GROHE PureRain spray with the stimulating Trio Massage. Or switch to the hand shower with the push of a button. Everything is possible, all is enjoyment. With just three intuitive buttons, GROHE SmartControl Duo gives you all you need to be completely in your element.

THIS IS WHAT **SHEER** **PLEASURE** LOOKS LIKE

For the perfect shower, the perfect finish. The GROHE Rainshower 360 comes in two stylish finishes: classic chrome and, for a subtly elegant design statement, MoonWhite.

THE BEST OF BOTH WORLDS: **GROHE SMARTCONTROL COMBI SHOWER SYSTEM**

We call it the “exceeded” solution – no visible shower rod, just the impressive Rainshower head shower and GROHE SmartControl.

The GROHE SmartControl combi shower system is incredibly flexible, offering a range of different installation options and combinations. For example, you can position the thermostat not simply below the showerhead but even on one of the side walls of the shower.

Flexibility also extends to the way you can combine the thermostat with other GROHE head, hand or body showers, creating your own personal shower experience. GROHE SmartControl Combi is available in Duo and

COOLTOUCH CASING

To safeguard you from scalding by coming into contact with a hot surface, GROHE CoolTouch technology ensures that the temperature of the outer casing never exceeds your preferred shower temperature.

Mono versions and also offers shelf space for shampoo and shower gel.

And because the piping runs within the wall, cleaning is effortless – just one more of the pleasures you can expect from the GROHE SmartControl combi shower system.

START/STOP & VOLUME

The innovative GROHE SmartControl technology lets you choose your preferred spray pattern – or a combination of spray functions – as well as adjusting the water flow to just the right amount. Nothing could be simpler.

TEMPERATURE

GROHE TurboStat technology lies at the heart of this shower system. The thermo-element's unrivalled sensitivity means it delivers water at the desired temperature within a fraction of a second – and keeps it constant for the duration of your shower.

100 % CONTROL HIDDEN IN ONE SMART BUTTON

Enjoying a refreshing and personalised shower has never been easier. Just push the button to choose your preferred shower spray and enjoy. Switch whenever you like between a light, refreshing shower spray or a powerful, stimulating Jet spray – or simply choose a revitalising hand shower. Perhaps you'd prefer two sprays at the same time? No problem, just activate both buttons.

And showering with GROHE SmartControl is even smarter... the innovative GROHE SmartControl technology offers spray selection and volume adjustment in one. Turn the GROHE ProGrip handle and alter the water flow to get just the right amount. Your preferred volume setting is stored – perfect for a short shower pause or for your next shower. Smooth and intuitive controls, operated directly from the main shower unit, mean operation is simple and easy for the entire family. Now that's smart.

The perfect shower puts your needs and wishes above all else. It creates a me-place that caters to your individual wants. More than a shower, it's a wellness zone, a place where water takes on a life of its own. And where you love to spend time.

AQUASYMPHONY: PURE LUXURY

Imagine you could start each and every day with an excursion into paradise. AquaSymphony by GROHE lets you escape for a moment and step into another world: a world where the interplay of water exhilarates and renews you, bathing you in softly coloured light and soothing you with relaxing sounds. Become part of a composition that inspires all the senses – the symphony of showering.

Pure spray

The name alone says it all. A soft stream of pure water that falls straight from the centre of the showerhead – like a fresh mountain spring.

Waterfall XL sprays

An extra wide water outlet recreates the exhilarating impression of a waterfall.

Rain sprays

The new enhanced Rain spray delivers larger and softer droplets for a luxurious shower feel.

AquaCurtain

A fascinating play of water that surrounds you with a delicate beaded curtain of water droplets.

Drizzle sprays

The Drizzle sprays breathe a fresh, light mist over the skin, cooling and reviving.

GROHE SHOWERS

THE SPRAYS

RAIN SPRAY

Wide and luxurious – a soft, delicate pattern to soothe the skin. Mimicking warm summer rain, the spray provides a full and even coverage.

PURERRAIN SPRAY

The new and improved Rain spray with larger and softer droplets for a more luxurious showering experience.

ACTIVERAIN SPRAY

Innovative spray to loosen up tense muscles or rinse shampoo out of your hair.

SMARTRAIN SPRAY

All the features and benefits of our authentic Rain spray but with a reduced flow. A smart pattern that uses less water to deliver full showering enjoyment.

JET SPRAY

A focussed circular spray, which delivers a refreshing burst of water. Ideal for stimulating the skin or simply cleaning the bathtub or shower.

PURE SPRAY

The name says it all. A soft stream of pure water delivered from the centre of the shower head – reminiscent of a fresh, mountain spring.

ENJOY VARIETY – REJUVENATION OR RELAXATION?

Our unique design distributes the same amount of water to each and every nozzle, resulting in an even spray. So whatever pattern suits your mood – Normal, Champagne spray, Pure, Jet, Rain or Massage – you're

guaranteed that it will be an all-over exhilarating experience. The new sprays, GROHE PureRain spray, GROHE Bokoma spray and ActiveRain spray, are just the latest examples of GROHE DreamSpray technological innovation.

MASSAGE SPRAY

A pulsating spray pattern for a stimulating massage. Gives a unique and invigorating all-over massage.

BOKOMA SPRAY

Eight dynamic spray nozzles create a 'breathing' effect, recreating the tension-relieving sensation of a fingertip massage.

TRIOMASSAGE SPRAY

The combination of the renowned Bokoma spray and two Massage sprays gives you a head and shoulder massage in one combined spray.

WATERFALL SPRAY

An extra wide spout creates the sensual pleasure of a waterfall in your own bathroom.

DRIZZLE SPRAY

Revitalizing cool water mist acts like a fresh sea breeze.

CHAMPAGNE SPRAY

Enriched with air for bigger and softer water droplets. More air means that less water is required when using this fulfilling and gentle spray pattern.

PURE FREUDE AN WASSER

Life-giving, universal, joyful – water is the source of inspiration for the whole of our distinctive product portfolio. Every one of these products is based on our four core values: Quality, Technology, Design and Sustainability.

Balancing these in everything we do allows us to deliver an unrivalled enjoyment of water to our customers.

QUALITY

From the first design sketch to the final product to after-sales services: Our customers can rely on our Made in Germany sense of perfectionism.

*"No.1 most trusted brand in the sanitary industry" –
Wirtschaftswoche, 2017*

TECHNOLOGY

We constantly drive innovation to enrich your everyday water experience, delivering smart solutions on the path of the digitization of water.

*"Top 50 companies to change the world" –
Fortune Magazine, 2017*

DESIGN

Our highly awarded design DNA's recipe for success is simple: Merging the contemporary and the timeless into products that feel like they were designed just for you.

Over 350 design awards won since 2003

SUSTAINABILITY

Water is our passion. We care about every drop and our CSR commitment goes even beyond one element alone: We strive to protect all of our planet's resources for future generations.

CSR Award winner of the German Government, 2017

A GLOBALLY CONNECTED COMPANY

With its origins in early 20th century Japan, today LIXIL is the most comprehensive company in our industry, with a unique portfolio spanning everything from technologies that revolutionise how we interact with water to a full line-up of interior and exterior materials and products for houses and major architectural projects.

Operating in 150 countries, the LIXIL companies design and manufacture products that are used every day by more than a billion people around the world. The world is changing rapidly and we are helping to shape it. Across our LIXIL brands and technologies, we design and manufacture tomorrow's living solutions, today. From developing smart innovations in people's homes and offices to redefining the world's most famous city skylines, LIXIL's products are transforming the spaces in which we all work, learn, travel, relax and live. American Standard, INAX, DXV by American Standard and Permasteelisa stand alongside GROHE in LIXIL's family of world-class brands. When combined, our brands make us number one in faucets and plumbing-related products worldwide and Japan's premier provider of housing products. We're leading the way in many other areas around the world, thanks to our shared focus on creating innovations that genuinely improve people's lives.

Together we're stronger. Combining our GROHE expertise as a world leader in sanitary fittings with the unique technology and insights from LIXIL's other Water Technology brands, GROHE now offers complete bathroom solutions, featuring innovative products like shower toilets and GROHE SmartControl showers, alongside revolutionary technologies such as AquaSymphony sanitaryware that stays clean for 100 years. Beautiful, functional and reliable, LIXIL's products and solutions are changing the way people live, all over the world.

Together, we share a powerful vision of a better tomorrow, for our customers and for the world. As a truly global manufacturing company, we know that we have an important part to play in securing the future of our planet. We're leading the way in areas such as energy efficiency and water saving technology and aim to achieve a net zero environmental footprint by 2030. We believe everyone should have access to clean and safe sanitation, and are committed to using our expertise to help make this possible.

Together we're creating the future of good living for everyone, everywhere.
