

GROHE TEMPESTA

GROHE is proud to present the Tempesta 110 hand shower. The Tempesta 110 is available in a round or soft square design and features an easy switch function so you can effortlessly switch between the three innovative sprays. Each model includes a ShockProof silicone ring to prevent damage. We have improved our designs over the years to meet your needs. Tempesta is available in sets, systems and bundles, so there's an option to suit every bathroom.
