GROHE SPA

**SALUS PER AQUAM
HEALTH THROUGH WATER**

Nothing compares to the power of water —
it is cleansing, invigorating and healing.

A true elixir of life, water gives us precious moments of indulgent bliss. By harnessing these positive effects, we can switch off from the noise of the outside world to find peace for body, mind and soul. By immersing ourselves in soothing water rituals, we can inspire the senses to find equilibrium and hidden strength. Guided by the underlying belief that water is the source of vital energy, GROHE has revitalised GROHE SPA as a timeless sub-brand. A decade after GROHE SPA was first launched, our passion for water is tangible in every detail of every product.

Aimed at architects, designers and specifiers, as well as high-end showrooms, GROHE SPA represents the apex of what we can achieve. We are redefining what is possible to lift innovation, technology and precision to uncharted levels. We curate only the most exclusive, luxurious products to create exquisite places of retreat. Progressive designs are fused with carefully selected colours, materials and finishes. Versatile customisation options transform the bathroom into a home spa, impeccably tailored to individual preferences.

GROHE SPA bathes us in blissful new multisensory experiences. Soothing, memorable and distinctive — just like the calming sound of water.

THE FOUR TIERS
