MASTERS OF TECHNOLOGY

THEOCHARIS LIOLIS

Master of Technology, produces unbeatably hardwearing faucet surfaces with GROHE StarLight®.

MASTERS OF TECHNOLOGY

GROHE's people have been regarded by their peers in the industry as Masters of Technology, because of their innovations, outstanding design and award-winning fittings.

By a combination of their advanced craftsmanship and their cutting-edge approach to effective teamwork and processes, our Masters of Technology take the lead in developing, designing and manufacturing our outstanding product range, all the while testing and fine-tuning each piece to ensure continued customer satisfaction.

The result: Timeless design. And quality that lasts a lifetime. Again and again GROHE products surprise users with unique features that provide 'Pure Freude an Wasser'. When you use a GROHE product you can feel the difference. Time after time.

Take, for example, the GROHE Essentials accessories range. By combining circular shapes with functional attributes they are designed to offer superior user comfort.

The simple but tasteful offerings light up your bathroom. Thanks to the GROHE StarLight® coating, the accessories are incredibly scratch-resistant, meaning the dazzling surface won't mark or tarnish.

GROHE ACCESSORIES IN PERFECT HARMONY

You have the vision. We have the complete solution.

From faucets and showers to flush actuation plates, every GROHE collection offers a complete range of coordinating designs. But it is the detail that can make all the difference. GROHE accessories reflect the design nuances and core values of our collections which simplifies the specification of your bathroom.

Engineered in Germany the durable GROHE StarLight® finish means that our accessories are easy to clean, and our wide portfolio in different finishes cover a range of price points enabling you to source your fittings from a single supplier – GROHE.
