100 % GROHE CUBE BATHROOM

For a sharp, tailored look in your bathroom, choose Eurocube. Here is a design so cleverly engineered that we are able to offer an extensive choice of faucets featuring a perfectly square design for the basin, bidet, shower and bath. Across the range, cut-out detailing on the lever handles adds a lightness of touch to the appearance of each piece while highlighting the minimalist appeal of the collection.

Perfectly coordinated with Eurocube, Euphoria Cube showers with rain spray pattern are equipped with GROHE DreamSpray® technology and are available in chrome finished plastic or metal body. Now the last piece of the set is complete with the addition of Grohtherm cube, a range of thermostats designed to offer unrivaled safety and eco features with the same smart cubist design details.
