

YOUR PERSONAL SPA

Michael Rauterkus
CEO Grohe AG

Dear customers,

Modern life can be stressful and we all welcome a place to relax and unwind, but you cannot always take time out to visit a spa for some well-deserved pampering. This is why we have created a world of products designed to bring the spa experience to your bathroom. GROHE SPA is a collection of the most luxurious and innovative spa products that create a world of relaxation in the comfort of your own home.

Whether your inspiration is the opulence of a Turkish hamman, a Japanese onsen bathing experience or the cool lines of a Scandinavian sauna, GROHE SPA has a range of exceptional products to help you create a tailor-made relaxation space at home.

For the ultimate shower experience, GROHE AquaSymphony creates a wellness zone, which harmoniously combines water, music and lighting to inspire all the senses. Its sleek, spacious design houses innovative technology that allows you to select and adjust water flow to match your mood – from gentle, warm rain spray to a waterfall cascade or pulsating Bokoma Spray to ease aching muscles.

The GROHE Sensia Arena award-winning shower toilet gives you the finest experience in personal hygiene and cleanliness. It uses fresh natural water to gently clean your skin, with temperature and pressure level controls included to ensure comfort. An integrated air dryer provides the final touch, while a nightlight makes it easy to use at any time. This elegant and innovative design delivers comfort and care to one of your most private bathroom moments.

Beautiful design plays an important role in creating a relaxing ambience, which is why GROHE has introduced the GROHE SPA Colours Collection, giving you a stunning range of colours and finishes with which to complete your bathroom aesthetic.

Combining skilled craftsmanship, elegant design and clever technology, the GROHE SPA range allows you to create a home spa experience delivering the relaxing and invigorating properties of water in an exquisite space precisely tailored to your personal taste and needs.

Enter the world of GROHE SPA, and create your own personal sanctuary devoted to indulgence and inspired by your imagination.

THE INTERNATIONAL, MULTICULTURAL, AWARD-WINNING **GROHE DESIGN STUDIO**

QUALITY, TECHNOLOGY, SUSTAINABILITY AND AWARD-WINNING DESIGN

With our international award-winning team of in-house designers, we aim to create water enjoyment experiences. Water is one of the most precious resources our planet has to offer. We are incredibly fortunate that nature has given us so many examples from which to draw inspiration, from waterfalls to rain. We use this inspiration along with a careful understanding of our customers to create our award-winning designs.

We believe great design goes beyond form and function. We aim to create strong emotional connections in the hearts of our customers, through design and experience. We are always conscious of who we are designing for and the total experience we intend to create. We revel in our ability to inspire and excite the world, challenge and break paradigms, influence and form the future.

GROHE GRANDERA TOMORROW'S GRAND STYLE

The GROHE Grandera collection is both a homage to an age of grandeur long past and an affirmation of modern sensibility, combining the highest standards of quality and craftsmanship with a love of detail and comfort. Stylistically, the Grandera collection can be combined with a wide range of bathroom furnishings, with the added flexibility of two colours – chrome and chrome/gold. Thanks to GROHE StarLight technology, not only will the fittings retain their shine in the long term, but they are also extremely resistant to dirt and scratches.

GROHE ATRIO

THE ICON OF ELEGANCE AND PRECISION

Consider the circle. A staple of natural geometry. A pure form at once soothing and dynamic. A visual metaphor for both completeness and eternity. For its new Atrio collection GROHE draws on this most elemental and elegant form to create an iconic object that is built to last.

With GROHE Atrio you can design without restrictions. Each item in the GROHE Atrio collection is available in a choice of three finishes, offering the adaptability to meet the demands of personal taste, and three size options that make it suited to every scale of design scheme.

GROHE SHOWERS

THE SPRAYS

RAIN SPRAY
Wide and luxurious – a soft, delicate pattern to soothe the skin. Mimicking warm summer rain, the spray provides a full and even coverage.

PURERAIN SPRAY
The new and improved Rain spray with larger and softer droplets for a more luxurious showering experience.*

ACTIVERAIN SPRAY
Innovative spray to loosen up tense muscles or rinse shampoo out of your hair.

SMARTRAIN SPRAY
All the features and benefits of our authentic Rain spray but with a reduced flow. A smart pattern that uses less water to deliver full showering enjoyment.

JET SPRAY
A focussed circular spray, which delivers a refreshing burst of water. Ideal for stimulating the skin or simply cleaning the bathtub or shower.

PURE SPRAY
The name says it all. A soft stream of pure water delivered from the centre of the shower head – reminiscent of a fresh, mountain spring.

ENJOY VARIETY – REJUVENATION OR RELAXATION?

Our unique design distributes the same amount of water to each and every nozzle, resulting in an even spray. So whatever pattern suits your mood – Normal, Champagne spray, Pure, Jet, Rain or Massage – you’re

guaranteed that it will be an all-over exhilarating experience. The new sprays, GROHE PureRain spray, GROHE Bokoma spray and ActiveRain spray, are just the latest examples of GROHE DreamSpray technological innovation.

MASSAGE SPRAY
A pulsating spray pattern for a stimulating massage. Gives a unique and invigorating all-over massage.

BOKOMA SPRAY
Eight dynamic spray nozzles create a 'breathing' effect, recreating the tension-relieving sensation of a fingertip massage.

TRIOMASSAGE SPRAY
The combination of the renowned Bokoma spray and two Massage sprays gives you a head and shoulder massage in one combined spray.

WATERFALL SPRAY
An extra wide spout creates the sensual pleasure of a waterfall in your own bathroom.

DRIZZLE SPRAY
Revitalizing cool water mist acts like a fresh sea breeze.

CHAMPAGNE SPRAY
Enriched with air for bigger and softer water droplets. More air means that less water is required when using this fulfilling and gentle spray pattern.

* Available on all Rainshower metal head showers including Euphoria XXL and Rainshower systems with metal head showers.

GROHE SMARTCONTROL

DISCOVER A WEALTH OF BENEFITS FOR YOUR PRIVATE SPA

Space – we'd all like to have more of it, especially in the shower area, where it is often in short supply. When you have the luxury of planning your shower from scratch, GROHE SmartControl offers wonderful options for creating your private spa. With its exceedingly slim design and concealed installation, GROHE SmartControl offers more space under the shower and an uncluttered, clean look.

Freedom of design too – GROHE SmartControl also offers a number of design variants. A wide selection of suitable trim sets – available in both round and square forms – and showers ensures that the style chosen for the bathroom extends seamlessly into the shower area.

Of course the benefits don't stop there. GROHE SmartControl also offers many additional features: from precise and intuitive volume and temperature control to your choice of shower spray at the touch of a button. This is where your private spa begins.

GROHE SMARTCONTROL 100 % CONTROL HIDDEN IN ONE SMART BUTTON

Enjoying a refreshing and personalised shower has never been easier. Just push the button to choose your preferred shower spray and enjoy. Switch whenever you like between a light, refreshing shower spray or a powerful, stimulating Jet spray – or simply choose a revitalising hand shower. Perhaps you'd prefer two sprays at the same time? No problem, just activate both buttons.

And showering with GROHE SmartControl is even smarter... the innovative GROHE SmartControl technology offers spray selection and volume adjustment in one. Turn the GROHE ProGrip handle and alter the water flow to get just the right amount. Your preferred volume setting is stored – perfect for a short shower pause or for your next shower. Smooth and intuitive controls, operated directly from the main shower unit, mean operation is simple and easy for the entire family. Now that's smart.

ENSURING WATER ENJOYMENT FOR GENERATIONS TO COME.

Water is as essential as the air that we breathe, one more reason why we are so passionate about it. To be able to offer "Pure Freude an Wasser", not just to today's consumer but for generations to come, we offer sustainable product solutions like GROHE Blue, GROHE EcoJoy and GROHE SilkMove ES, and we demonstrate through our Sustainability Report and Sustainability accolades that we have made a serious corporate commitment to protecting the planet.
