EUROCUBE

True Square Design.

For a sharp, tailored look in your bathroom, choose Eurocube. Cut-out detailing on the lever handles reduces the perceived volume of each piece, while highlighting the minimalist appeal of the collection. It is perfectly aligned to the design needs of today's cosmopolitan trend.

EUROCUBE JOY

Make a Clear Statement.

Eurocube Joy translates your feelings for confident clarity and purism into reality. The cosmopolitan, cubic design with its reduced, right-angled lines expresses quality and innovative thinking. Overall it's an expression of form providing perfect accents for your modern bathroom architecture. Utterly characteristic. Typical you.

EURODISC JOY

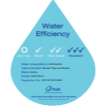

Pick your finishing and the right size.

The innovative joystick operation reduces the Eurodisc design to its core providing an unparalleled aesthetic. Combined with the smooth, long-lasting fingertip control it is the highlight in any bathroom. The glossy moon white finishing combined with chrome elements is a refreshing alternative to chrome and provides a perfect match to any bathroom.
