AQUATUNES

GROHE | MASTERS OF TECHNOLOGY

PHILIPS | GROHE

ENERGIZE YOUR SHOWER EXPERIENCE

Two experts, one innovation: Aquatunes

PHILIPS, the global brand for audio systems, and GROHE, the leading sanitary brand, have co-developed the unique Aquatunes Bluetooth-shower speaker.

- Bluetooth – wireless music streaming with a range of up to 25 feet (works with devices with Bluetooth 4.0 or below)
- High quality audio experience thanks to PHILIPS sound technology - Total Output: 2W
- Water resistant (IPx6) – 100 % suitable for use in your bath or shower
- Simple and fast installation on your existing $\text{Ø } 7/8''$ to $1 1/8''$ shower rail or arm.
- Easy to use – also under the shower
- ShockProof – tested to withstand a fall from 3 feet
- Induction charging
- Built-in rechargeable battery provides > 8 hours of run time
- 2 Year Warranty

A central graphic featuring a dark silhouette of a person's head and shoulders. From the neck, several arms extend upwards and outwards, mimicking the motion of water spraying from a showerhead. The background consists of a light blue gradient with a pattern of small, dark, teardrop-shaped icons, suggesting water droplets. The overall aesthetic is clean and modern.
