DXV SpaLet Bidet Toilet Presents New Luxury Features for the Contemporary Hospitality Bathing Sanctuary

AT200 LS Offers Guests Customized Water-Cleansing Functionality, Air-Freshening Performance and Seamless Beauty for a Refreshing, Spa-Like Experience

LAS VEGAS, HD EXPO (May 2, 2018) — Expanding its collection of innovative SpaLet bidet toilets, luxury brand DXV, part of LIXIL, maker of pioneering water and housing products, introduces the <u>AT200 LS SpaLet integrated electronic bidet toilet</u>. Combining peerless design and flawless engineering, this elegant fixture offers new, technologically advanced features that transform the daily ritual of visiting the bathroom into a pampering and rejuvenating experience for hotel guests.

DXV SpaLet dual-flush bidet toilets provide a variety of completely automated, easily adjustable functions to turn the bathroom into a relaxing, life-enhancing space. Extravagant conveniences include hands-free flushing, automated lid opening and closing, and seat heating for the ultimate in bathroom luxury. The state-of-the-art DXV AT200 LS SpaLet delivers the ultimate in performance and efficiency, with its completely adjustable two-nozzle water-spray system and integrated air dryer for a fresh, right-out-of-the-shower feeling.

New features of the <u>DXV AT200 LS SpaLet</u> include two innovative functions for odor control: the Air Shield deodorizer with a replaceable charcoal filter, and Room

Bringing a feeling of spa-inspired luxury to the bathroom, the state-of-the-art AT200 LS SpaLet from DXV offers an unrivalled range of sophisticated features housed in a sleek and stylish fixture ideal for contemporary bathrooms.

Refresh, which utilizes pioneering Plasmacluster ion technology to purify the air in the room after use.

- more -

To further improve hygiene, Plasmacluster technology is also used with a blue light that cleans the air inside the bowl when the lid is closed while the exclusive Hyper Clean surface preserves bowl cleanliness and prevents scratches.

Smartly styled with a full skirted base, the dual-flush DXV AT200 LS SpaLet offers the choice of a light, 0.92 gallons per flush (gpf) or a full, 1.32 gpf volume, and is WaterSense-certified.

The DXV AT200 LS SpaLet bidet toilet is available through an <u>exclusive network of showrooms</u> across North America. List price is \$4,200.
