

Pure Freude  
an Wasser

# FACTSHEET PLANT LAHR

**GROHE is a leading global brand for complete bathroom solutions and kitchen fittings.** For many decades, the global brand GROHE has relied on the brand values of quality, technology, design and sustainability to deliver "Pure Freude an Wasser".

GROHE is part of the LIXIL Group Corporation and benefits from the active knowledge transfer within the group and the opportunity to open up new product segments and develop innovations faster and more efficiently. LIXIL is the global market leader in the sanitary ware industry and residential building equipment.

## GROHE PRODUCT PORTFOLIO

## GLOBAL PRODUCTION NETWORK

GROHE owns a global production network that is based on German engineering as well as globally consistent high standards for the manufacturing of GROHE products. This enables GROHE to meet the most uncompromising demands in terms of finishing and functionality worldwide. Therefore, GROHE products bear the badge of quality "Made in Germany". Each plant is strictly specialised.

Pure Freude  
an Wasser

GROHE

## The Production Site

GROHE production site since

# 1956

More than **700**  
employees

Every year in Lahr, ...

more than **6 million**  
hand showers,

more than **2 million**  
shower bar sets, and

more than **0.7 million**  
shower systems  
... are manufactured.

In 2016, a combined heat and power plant (CHP) was put into operation. It generates process heat – the resulting energy covers a part of the plant's electricity requirements. The CHP can help save **2.500 tonnes** of CO<sub>2</sub> per year.

THE EXPANDED ELECTROPLATING UNIT  
was inaugurated in September of 2017.

› Increased by **70%** the capacity  
of plastic galvanization with the unit's  
expansion.

› Over **40** new jobs have been  
created.

### PRODUCT HIGHLIGHTS AT THE LAHR PRODUCTION SITE

SmartControl · Tempesta showers · AquaSymphony · Sense Guard
