

Green Electricity Certificate

We hereby confirm

GROHE Portugal – Componentes Sanitários. Lda.
Zona Industrial de Areeiros – Apt. 167
3850-200 Albergaria-a-Velha
Portugal

purchase of 100% renewable electricity according to the
quality criteria of First Climate Markets AG.

Delivered quantity
for the period of
01.04.2022 – 31.03.2023
20.000 MWh

This amount of electricity results
in emissions savings in the
amount of
2.984 t CO₂

Emission savings are based on certificates of origin for power generation
from selected Turkish renewable energy plants.

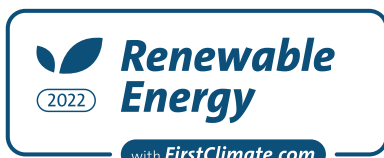

The corresponding certificates were permanently withdrawn from the
market through redemption.
