

Green Electricity Certificate

We hereby confirm

Grohe AG
Feldmühlenplatz 15
40545 Düsseldorf
Deutschland

purchase of 100% renewable electricity according to the
quality criteria of First Climate Markets AG.

Delivered quantity
for the period of
01.04.2023 – 31.03.2024
46.000 MWh

This amount of electricity results
in emissions savings in the
amount of
16.382 t CO₂

Emission savings are based on certificates of origin for power generation
from selected European solar and wind power plants (younger 15 years).

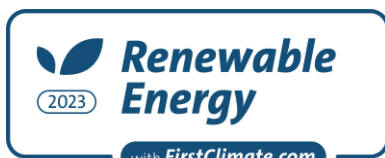

The corresponding certificates were permanently withdrawn from the
market through redemption.
