

Green Electricity Certificate

This document certifies that

GROHE Siam Ltd.
203 Moo 12, Ban-na Sub District
Klaeng, Rayong, Thailand, 21110

is using 100% climate neutral produced renewable electricity according to the
quality criteria of First Climate Markets AG

to cover the equivalent electricity consumption for the period of 01.07.2019 – 31.03.2020 of
30.000 MWh

The use of this amount of renewable energy results in emission reductions of
13.932 t CO₂

and is based on Guarantees of Origin from a selected solar farm in Thailand.

The corresponding certificates are withdrawn from the market through redemption.

Bad Vilbel, September 2019

A handwritten signature in black ink, appearing to be "J. Gassner".
