

Certificate

This certificate serves to confirm that First Climate, on behalf of

Grohe AG,

compensated for the greenhouse gas emissions derived from its
business activities in financial year 2023 in the amount of:

27.000 t CO₂e

These emissions were offset utilizing carbon credits from the
following climate protection projects:

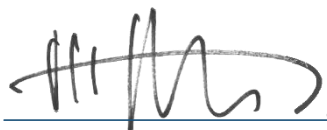

Hydroelectric project in Kinnaur, India

Providing safe water to rural communities, Malawi

Hydroelectric project, Vietnam

and the corresponding emission reduction certificates

22.03.2023, Bad Vilbel
