

iF AWARDS HIGHLIGHTS 2018

GROHE SENSE GUARD

GROHE Sense Guard is a smart water controller, which detects frost risk and micro leakages and in the case of a burst pipe shuts off the water supply. Via the **GROHE ONDUS app** you get the latest status from home.

GROHE ESSENCE PROFESSIONAL

GROHE Essence brings aesthetics without pretension. This range uses balanced, modern styling and creates space for inventive furnishing ideas and innovative technologies.

GROHE CONCETTO PROFESSIONAL

Concetto combines stylish minimalist design with superior ergonomics to reflect the core values of the Cosmopolitan design. Consisting of a series of cylinders, an arched or medium height spout rises elegantly from the sink.

GROHE SMART CONTROL ROUND

Immersing oneself in a new dimension of showering – this is what **GROHE Smart Control** is all about. The **“Push, Turn, Shower”** experience has become even more multifaceted, thanks to a new model and combination options being added to this popular line of smart shower controls.

GROHE SENSE

GROHE Sense is a smart water sensor which monitors humidity, detects leaks and alerts homeowners instantly in case of a problem via the **GROHE ONDUS app** on their smart device.

GROHE LINEARE NEW COLLECTION

Sensual Minimalism characterizes the new Lineare collection. Lineare's most striking features are its slim dimensions and its clearly defined silhouette. This is a faucet of remarkably balanced proportions.

GROHE DESIGN SHOWREEL

The **Grohe Design Showreel** was produced with the intent of spotlighting the passion, precision and the high level of detail present in every product. The objective was to create a video that represents the company's philosophy on a visual and emotional level.
