## HARD GRAPHITE AN URBAN DYNAMIC STYLE

Contrast or camouflage: a perfect partner for elegant pairings with pure white or blending with tone-on-tone environment. Hard Graphite works well with midtone environments such as concrete or light wood.

## WARM SUNSET A PLEASANT TOUCH OF LUXURY

The Warm Sunset finish accentuate original, atmospheric bathroom designs and add an air of brilliance. Match with dark stone, marble or concrete for that luxurious look.

## COOL SUNRISE AN EXQUISITE STATEMENT

In high gloss it evokes sophistication and classic luxury, in brushed it brings a modern yet vintage charm to life. Make a statement in your bathroom with Cool Sunrise by pairing it with dark, light or white interiors.
